

Garden plan: notes

14 March

Dear Sam,

Thank you for the draft of the garden plan. The layout works well, and the north bed gets enough light for the herbs you suggested. Two small changes: move the bench to the east wall, and leave a wider path by the shed.

The quote for the paving is fine. Please go ahead with the order on Monday.

Plants

Rosemary, thyme

Mint, in a pot

Lavender by the path

Materials

Gravel, 2 tonnes

Edging, 30 metres

Bench, oak

Best wishes, Alex
